

## VANDALISM TO EMPLOYEES' MOTOR VEHICLES

### Background

Employees' automobiles occasionally incur damage while an employee is in attendance at a function directly related to their assignment.

The District will reimburse an employee whose motor vehicle is damaged due to vandalism to the extent of the minimum deductible offered on Insurance Corporation of British Columbia motor vehicle policies.

### Procedures

The District will reimburse an employee whose motor vehicle is damaged due to vandalism provided:

1. The vandalism occurs while the vehicle is located on property owned or administered by the District. That payment will be limited to the minimum deductible repair, whichever is the lesser.
5. That the employee reports the incident to the local police and also files with the District the police case number.
6. That a written statement of claim is filed by the employee certifying the above.
